

## MINI ROYAL HORSE SHOW

A “*fun*” Fundraiser, Sunday June 14, 2020

### WHAT IS THE MINI ROYAL HORSE SHOW?

- It's an in-house horse show hosted by Community Association for Riders with Disabilities (CARD).
- It's open to all CARD riders to participate
- Classes consist of a variety of mounted games and/or riding skills so riders can demonstrate what they have been working on in their classes

### HOW CAN YOU RAISE MONEY FOR CARD?

We know how hard it is to ask people for money. Here are some helpful hints:

- Create a list of who to ask (family, friends, teachers, co-workers, neighbours, doctors, sports club members). Don't leave anyone out.
- Set a fundraising goal. Remember your inspiration – this is a cause you care about.
- Use on line tools [www.canadahelps.org](http://www.canadahelps.org) allows you to create a personalized page. You can add stories, photographs from past events. If you need a picture please contact Randi or Bonnie at CARD ([randi@card.ca](mailto:randi@card.ca); [bonnie@card.ca](mailto:bonnie@card.ca))
- Do you have a Facebook, Instagram or Twitter account? Post the information there.
- Are you a student? Talk to your student activity council. Perhaps they will have a day for your CAUSE.

- Don't forget to send emails to those friends and family who might not be on social media

## **WHERE YOUR MONEY GOES AND WHY YOUR PLEDGES ARE IMPORTANT!**

- It costs approximately \$10,000 a year to feed and care for each horse
- Pledges will help keep rider fees affordable
