Do you struggle to find the "fun" in fundraising?

Do You.....

- Want to support CARD's mission to provide therapy programs?
- Want to help our horses stay healthy and well cared for?
- Want to help keep rider fees affordable?
- Want to be engaged in the pursuit of helping CARD be financially healthy so it can keep doing what it is doing?

IF YES, here are some tips for riders and volunteers

What are you asking for?

Asking for money is daunting. Most people don't like doing it.
So don't ask for money!

- ✓ Ask for help
- ✓ Ask for support
- ✓ Ask for help/support for a cause that you care about!

What is your goal?

You cannot control what people give you.
You can control how many people you can connect.
Remember why CARD is important to you. Consider, what would my life be like without CARD?
So set a goal of reaching several people.
Maybe a daily goal or weekly goal.
Set aside time each day or each week to reach out.

Who are you asking?

Consider the people you know and who might be open to helping you.
Here are examples:

- Family (parents, siblings, aunts, uncles, grandparents, cousins...)
- Friends and neighbours (old and new.. consider this a way to connect with old friends and stay connected to new ones)
- Teachers, doctors, and other helping professionals you know
- Co-workers, colleagues, sports or other club members you associate with

What do you say?

Finding your voice is personal. Here are some ways you might start:

- "Did you know that I am volunteering/doing a riding program at CARD? I love it. Can I tell you about it"?
- "Do you know about CARD and how it helps people with disabilities? Can I tell you about it"?
- "Here's why I love it and why it is important to me"....(insert your own words)
- Here are some facts about CARD:
- We only do one fundraising event a year so we don't overload people with requests!
- Funds we raise are very important because we receive very little funding from any government sources.
- We are mostly self-funding. Our organization is very lean, and we rely on many volunteers.
- We have 11 horses that cost over $12K a year to feed, house and keep healthy
- We have a very small staff who run the organization, train the horses, administer the classes and schedule, run the barn and organize volunteers!

Here are some ways you might ask for help?

1. "Would you be willing to sponsor me as a rider in the Mini Royal with a financial pledge? If so, what are you able to pledge? We take cheques, and credit card pledges or you can go to":

*** Note Riders if you want the donation to be credited to you so that you can ride in the Mini Royal without paying the registration fee of $50 you must raise at least $250. Make sure your donor mentions they are supporting you as a rider in the private message box!!!

2. "Will you help us out with a donation"?

3. "We are holding an online auction from June 7-17. Can I send you a link to our auction site to see some of our fabulous items you can bid on"?
All Proceeds on the bids go to CARD.
"I noticed there is an auction item you might be interested in"?
(Insert an item that matches with your knowledge of the possible donor).

4. Join in the fun on June 15 at CARD! Watch the riders showcase their skills, engage with the community, bid on on-site auction items, buy baked goods, visit the exhibits, and enjoy a lunch with riders, volunteers and our community of support!
